of the Act, the M cl may lease the collection of Thandy fees imposed under clauses (b) & (ii) of sub-section (1) of Sec 61 annually on such conditions as may be approved by the M cl. The wording of the Section shows that the M cl is competent to deal with the collection of thandy fees as it thinks best. The Govt or the D c Hasan dislike can interfere with matters provided for under sections 35 & 36 of the M M Regn 1933 and in accordance with the manner set forth therein. The resolution of the M cl of Karaman to collect the thandy fees departmentally does not appear to come under any of the categories specified in these sections. Sec 44 (b) of the Regn under which the D c recommends action being taken ~~does~~ cannot be applied, as the dispute is not between any two M cls or between a M cl & a Village Panchayat. The legal position as that Govt have no power to interfere with the discretion of the M cl, as it does not offend any of the provisions of the M M Act

the D.C recommends that the sale of the weekly shandy at Konanur may be confirmed under section 34(1) of the Minor mkts Act.

19) The D C has under similar circumstances, also recommended the confirmation of the sale of the Fr Sotte Lalla Frontier Toll-gate at Konanur. The circumstances of this case are somewhat different in as much as the sale was held in pursuance of the resolution of the Konanur municipal Council, whereas in the case of the Lease sale of the weekly Shandy, there was no such resolution of the municipal Council

Under Sec 68 of the Act the "Municipal Council may lease the collection of tolls or fees imposed under clause (b) or (g) of sub-sec (1) of Sec 61 annually on such conditions as may be approved by the Municipal Council"

No doubt, the sale notification (which presumably lays down the conditions of the sale) was not approved by the first Commissioner of the Municipal Council, but the Deputy Commissioner clearly states that the sale held by the President was confirmed by the Municipal Council when once the Municipal Council confirms the sale, all accounts of the approval of the conditions under which the sale was held cease, the requirements of Sec 68 have been complied with both by the President & the Municipal Council

If the Municipal Council after confirming the sale, does conduct Resolution to work departmentally the amounts to be inconsistent with the provisions of the Act Govt may act under Sec 35 of the Act & annul the Resolution

Sale which is for arrears. The D.C does not want to take action as proposed but wants the Govt to act under Sec 34(1) of the Mines Act and cancel the sale already held & to work the stone on a contract basis for arrears. It has however to be pointed out that there is no provision of law under which the Govt can interfere in this case where financial loss would be caused to the Mahal, as this sale of the Mahal is not covered by section 35 or 36 of the Act.

3. In order to enable either the Govt or the D.C. to take action in such cases, it seems necessary to amend the Section 35 or 36 of the Act so that, in case where the Mahal sales or any contract relating to its financial interests such leases may be annulled or amended by the Govt. This is a question for future consideration.

4. In this case, however, it does not appear necessary to interfere with the Lease, although the facts warrant such an action on the part of Govt. The Mahal may therefore have its own way in this matter by to collect it departmentally. It is however feared that the Mahal is incapable of working it departmentally unless its limited staff by entering into Supplementary under Sec 29(1) Reg 2 Sec 106(2)

This means that the Vice President or the Congress Party cannot have his way in choosing its own persons for collecting the fees

If, at the end of the year, the collection fall short of the amount of Rs 1700 for which the contract was let, then under Sec 31 (2) of the Act, every Councillor who has been a party to the resolution that the fees may be collected departmentally may be held liable for the loss if such may be the case as it was facilitated by his misconduct of this executive duty of the M.C. as was delegated to the vice President if he has neglected his duty, then he may be made liable for the loss to the M.C. & the amount of such loss may be surcharged on the persons concerned. Sir,

Subject - Lease sale of the weekly shandy in Konanur Municipality for 42-43

In forwarding herewith correspondence ending with report No Nil dated 26th June 1942 from the President, Municipal Council, Konanur on the above subject, I have the honor to state that in the public sale held by the Vice President on 29th May 1942, in accordance with the sale notification duly published, a maximum bid of Rs 1700/- was secured

The Municipal Council have, at their meeting held on 18th June 1942 resolved that the shandy may be worked amani, without furnishing sufficient grounds thereto while some of the Councillors are in favour of the confirmation of the sale

The President has reported that a higher bid of Rs1700/- has been realised for the year 42-43 as against that in the year 41-42 which was a bid of Rs. 1501/- for 41-42 that there is no chance of securing a higher bid and that the working of the shandy departmentally would entail heavy responsibility and difficulty of effective supervision

I am fully in agreement with the views of the President The headquarters of the President being Arkalgud it will not be possible for him to have proper supervision over the staff of the Municipality entrusted with the collection work In the interest of the Municipal finances also, it is not desirable in my opinion that the Municipality should take up this work Amani During my inspection of the Municipality recently I found that it is in a very poor condition financially It has a very meagre

staff and would be entirely unable to manage the shandy collection Arani It would seriously cripple the resources of the Municipality if even one item of ~~resource~~ revenue were to fall short

The sale has been regularly held and income realised is also fair when compared with that of last year I request you, in the above circumstances, to kindly obtain orders of Government for the confirmation of the sale in question under Section 44 (b) of the Minor Municipal Act.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.

Lease sale of the weekly shandy at Konanur

Adverting to your letter No L 1677 Ml 116-42 dated 6-8-1942 on the above subject, I have the honour to state that, on an examination of the lease records relating to the previous year which are enclosed herewith, it is seen that the sale notification was not approved in the first instance by the Municipal Council but the sale held by the President was confirmed by the Municipal Council It is reported by the President that this has been the usual practice prevailing in the municipality

2 I have already reported that the Municipal Council, with its limited staff, is entirely unable to manage the shandy by working the same departmentally and that it would seriously cripple the resources to a considerable extent and particularly when the President whose headquarters is Arkalgud will be unable to exercise proper and effective supervision

3 Any resolution of the Municipal Council cannot be upheld when it is detrimental to the financial interest and the administration of the Municipalities

As Government is the Chief Controlling authority under Section 34(1) of the Minor Municipal Act in respect of all matters relating to the administration of minor Municipalities, I request suitable orders confirming the lease sale may kindly be passed

Subject Lease sale of the weekly shandy at Konarur

Adverting to your letter No L.3207/Ml 97-42-4 dated 18th September 1942 on the above subject, I have the honour to state that the statement made in my letter dated 21-8-42 that "the sale held by the President was confirmed by the Municipal Council", is in respect of the lease sales held for the years 41-42 and previous and not in respect of the present sale which is for 42-43

The sale notification has been issued by the President as usual and the sale also conducted regularly But, when the question of its confirmation came up before the Municipal Council, they have resolved that the shandy may be worked departmentally contrary to the usual procedure that was being followed and without furnishing any reason whatsoever for such a resolution

I have already stated that the Municipal Council is incapable of working the shandy Departmentally with its limited staff and of exercising proper supervision

As it would be difficult, however for the municipal council to work the shandy departmentally with its limited staff and to exercise proper supervision, Government are pleased under Section 29(1) and (2) and Section 106(2)(d) of the Mysore Minor Municipalities Act, 1933 to direct that a mutsaddi on a pay of Rs.15/- per mensem with two Bill Collectors on a pay of Rs.10/ each per mensem be employed by the municipal council in order to ensure efficiency in the collection work, the staff so employed being under the direct control of the Amildar-President. I am to request therefore that necessary further action may be kindly taken by you to appoint the said staff required to attend to the collection work in the local shandy departmentally. A detailed report on the working of the arrangement should also be submitted to Government at the end of the current year, showing the amount actually realised during the year, and the amount of gain or loss over the amount fetched in the action sale.

The records accompany.
